

THINGS YOU NEED TO KNOW

1. Please produce your membership confirmation when joining an Interest Group for the first time and as soon as you have renewed your Membership in order to prove that you are a paid-up member and therefore will be covered by our insurance policy.
2. A minimum 20p contribution is recommended towards the cost of refreshments each time you attend an Interest Group held in a member's own home.
3. When car sharing in order to attend any u3a event, the cost of mileage is normally shared amongst those in the car. This is currently 20p per mile. Please refer to the members' area of our website to see and also to download the car mileage chart.
4. Some u3a events are booked and paid for in advance (such as theatre trips, public attractions). If you book a place at one of these events, please make sure to pay in advance by the required deadline.
5. When you join an Interest Group, please do your best to attend regularly. Always inform your Group Leader if you are unable to attend any particular meeting. If you do not attend 3 consecutive group meetings your place may be offered to someone else who is keen to join.
6. We try to avoid waiting lists for groups that become too large and prefer to start a new group on the same topic if possible. Please let one of the Committee members know if you are unable to join your group/s of choice or email us at budeu3a@gmail.com .
7. The u3a is for the benefit of all members and everyone is encouraged to share and join in as much as they possibly can. Any member may be elected or co-opted onto the Committee [within the provisions of the Constitution] to help in administering the Bude u3a or offer to help a Group Leader to organise a group meeting or event. As everyone is volunteering their time, your support will always be gratefully received!
8. Our website at www.budeu3a.co.uk contains wide-ranging information about groups and their activities. Some details are contained within the 'members only' section, the password for which can be found on your membership confirmation.
